DEBTOR TO OBTAIN CREDIT

THIS MATTER came before the court at a hearing held on February 10, 2016 on the debtor in possession's (DIP) motion for authority to obtain credit [Docket No. 12]. The Notice of Final Hearing on Motion to Obtain Credit was served on the DIP, U.S. Trustee, creditors, and parties of interest on February 3, 2016. No objections have been filed. The court having reviewed the motion of the DIP, the Declaration of Peter Newport, the files and records herein, and having considered the representations of counsel, and it further appearing that,

1. Petition Date. On February 3, 2016 (the "Petition Date"), the Debtor filed a voluntary petition under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the District of Oregon (the "Bankruptcy Court" or this "Court"). DIP continues to

operate its business as a debtor-in-possession pursuant to § 1107 and 1108 of the Bankruptcy Code.

2. Jurisdiction and Venue. This Court has core jurisdiction over Debtor's chapter 11 case (the "Bankruptcy Case"), this motion and the parties and property affected hereby pursuant to 28 U.S.C. §§ 157(b) and 1334. Venue is proper before this Court pursuant to 28 U.S.C. § 157(b)(2).

3. DIP's Request. DIP has requested \$20,000 from Peter Newport (Lender), 2) up to \$35,000 from Zac Kauffman (Lender), and 3) up to \$30,000 from Shyne Tourville (Lender), with advances by the Lender being subject to the provisions of the Debtor in Possession Credit Loan (DIP Loan).

Based upon the motion, files and records, declaration of Peter Newport, and representations of counsel, the Court makes the following findings:

6. Need for Post-petition Financing. Good cause has been shown for entry of this Order. DIP has an immediate need to obtain the DIP Loan in order to support its manufacturing operations through the winter months. Without such cash and credit, DIP's estate would be irreparably harmed.

7. No Credit Available on More Favorable Terms. DIP cannot borrow the funds from any other lenders on such favorable terms.

8. Business Judgment and Good Faith Pursuant to Section 364(e). Based on the Motion, the terms of the DIP Loan Documents and this Order are fair, just and reasonable under the circumstances, ordinary and appropriate for secured financing to the DIP, reflect the President of the DIP's exercise of prudent business judgment consistent with its fiduciary duties and constitute reasonably equivalent value and fair consideration. Any credit extended, loans made, and other financial accommodations extended to DIP by the Lenders shall be deemed to have been extended, issued, or made, as the case may be, in "good faith" as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections afforded by section 364(e) of the Bankruptcy Code in the event that this Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

9. Good Cause, Immediate Entry. The relief requested by the Motion is necessary, essential and appropriate and is in the best interests of and will benefit the DIP, its estate, and its creditors as its implementation will, among other things, provide DIP with the necessary funding to preserve and maximize the value of DIP's estate for the benefit of all of DIP's creditors, and avoid immediate and irreparable harm to the DIP, its creditors, business, employees, and assets. Thus, good cause has been shown for the immediate entry of this Order pursuant to Bankruptcy Rules 4001 (b)(2) and 4001 (c)(2).

Based upon the foregoing, and after due consideration and good cause appearing therefore; IT IS ORDERED, ADJUDGED AND DECREED, that:

1. Motion Granted. The Motion is granted in accordance with Bankruptcy Rule 4001(c)(2) to the extent provided in this Order. The DIP is authorized to borrow up to \$53,500 from the lenders.

2. Objections Overruled. All objections to the entry of this Order are withdrawn or resolved by the terms hereof or, to the extent not resolved, are overruled.

3. Execution and Compliance with DIP Loan Documents; Conflicts. The DIP is authorized and directed to do and perform all acts, to make, execute and deliver all instruments and documents (including, without limitation, the DIP Loan Documents and additional security agreements and financing statements). To the extent there exists any conflict between the Motion, this Order, and the terms of either the DIP Loan or the DIP Loan Documents, this Order shall govern and control.

4. Authorization and Approval to Use Proceeds of DIP Loan; Restrictions on Same. Subject to the terms and conditions of the Order and the other DIP Loan Documents, the DIP is authorized to request and use proceeds of the DIP Loan. Subject to any limitations applicable in the DIP Loan Documents, DIP shall use the proceeds of the DIP Loan made or arranged for by the DIP Lender pursuant to the DIP Loan Documents and this Order to pay operating expenses.

5. Events of Default. Notwithstanding this Order, it shall be deemed an Event of Default by DIP under the DIP Loan if DIP, among other things: (i) a trustee, receiver or examiner is appointed, and (ii) the conversion of the Bankruptcy Case to a case under chapter 7 of the Bankruptcy Code, (iii) the dismissal of the Bankruptcy Case by the Bankruptcy Court, or (iv) there is an event of default under the DIP Loan Documents.

6. Effectiveness. Notwithstanding any Bankruptcy Rule to the contrary, the terms and conditions of this Order shall (a) be immediately enforceable as of the date of the Hearing, and (b) not be stayed absent the grant of such stay under Bankruptcy Rule 8005 after a hearing upon notice to DIP and the Lenders.

7. This DIP's authorization to borrow will continue until March 5, 2016.
